09h30 **State of the Art Treatment for Laryngeal Dystonia**

Blake Simpson (USA)

10h00 Coffee break

10h30 **Diagnosis and Treatment of Vocal Tremor**

Blake Simpson (USA)

11h00 **Laryngeal Electromyography: value added in Unilateral Vocal Fold Paralysis**

Isabel Garcia-Lopez (Spain)

11h30 **Neurological rationale for early Injection Laryngoplasty in Unilateral Vocal Fold Paralysis**

Gauthier Desuter (Belgium)

12h00 **Office-based Injection Augmentation for glottic insufficiency**

Blake Simpson (USA)

12h30 Lunch

14h00 **Reinnervation vs Thyroplasty in persistent Unilateral Vocal Fold Paralysis**

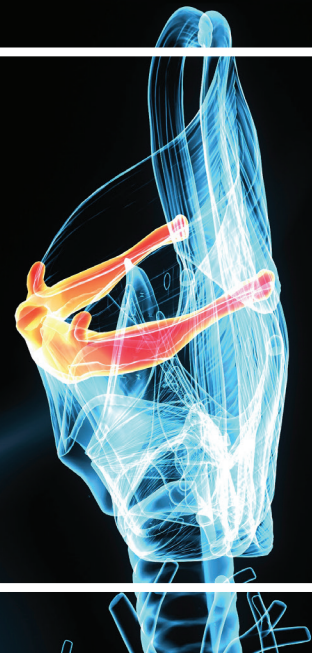

Andreas Müller (Germany)

14h30 **Voices outcomes after office-based Hyaluronic Acid injection for Unilateral Vocal Fold Paralysis**

Clémence Forges (France)

ELS Workshop & NeuroVoice International Meeting 2026

Porto | Portugal

15h00 **Vocal fold paresis in daily practice: what we miss and how to deal with it**
Eugénia Castro (Portugal)

15h30 **International Dysphonia conference**

16h00 Coffee break

16h30 **Bilateral Vocal Fold Immobility: comprehensive diagnostic workup**
António Nicolau (Portugal) | João Pinto (Portugal)

17h00 **Therapeutic options in Bilateral Vocal Fold Immobility with outlook on Laryngeal Pacing**
Andreas Müller (Germany)

17h30 End of 1st day

November 7th | Faculdade de Medicina da
Universidade do Porto

CADAVER DISSECTION COURSE

08h00 **Welcome & Safety Briefing**

Module I

08h30 **Injections & Laser**

Demonstration

Hands-on

- Injection Laryngoplasty
- Microlaryngoscopic approach
- Blue Laser Surgery

10h00 Coffee break

Module II

10h30 **Laryngeal Framework Surgery**
Demonstration

Hands-on

- Thyroplasty Type I (Medialization)
- Thyroplasty Type II (Lateralization)
- Arytenoid Adduction / Abduction
- Hypopharyngeal Pharyngoplasty

13h00 Lunch

Module III

14h00 **Laryngeal Re-innervation**
Demonstration

Hands-on

- Non-selective
- Selective (optional)

16h00 Coffee break

Module IV

16h30 **Transgender Surgery & Surgical Refinement**
Demonstration

Hands-on

- Chondrolaryngoplasty (Tracheal Shave)
- Wendler Glottoplasty
- Surgical Refinement

18h00 **Closing Remarks & Certification**
