

Advanced Course: Gynecological Ultrasound

5th Edition

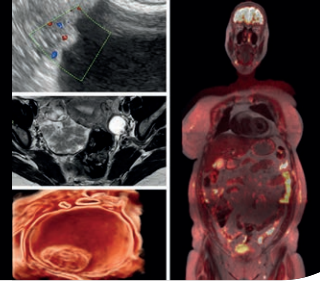

Adnexal Masses (Building Bridges: Ultrasound - MRI - Surgery)

9-11 November, 2026 | Hospital CUF Descobertas

Advanced Course: Gynecological Ultrasound | 5th Edition

Adnexal Masses (Building Bridges: Ultrasound - MRI - Surgery)

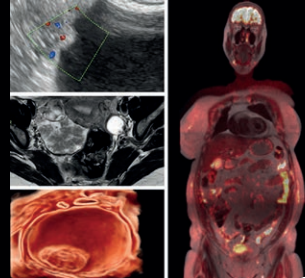

Monday 9

- 13h30 ● Registration
- 14h00 ● **Opening & Symposium Overview**
Rui Viana | Dusan Djokovic | Agnieszka Kotlarz
- 14h15 ● **IOTA Teaching Symposium***
Moderators: Inês Reis | Sofia Mendes
Speakers: Dirk Timmerman | Wouter Froyman
- 15h35 ● Coffee break
- 16h05 ● **IOTA Teaching Symposium***
Moderators: Patrícia Pinto | Luciana Patrício
Speakers: Dirk Timmerman | Wouter Froyman
- 17h25 ● **Summary & Announcements**
Dusan Djokovic | Agnieszka Kotlarz | Dirk Timmerman | Wouter Froyman
- 17h40 ● End day 1

*In-audience interactive-learning animators: Dusan Djokovic | Agnieszka Kotlarz

Advanced Course: Gynecological Ultrasound | 5th Edition

Adnexal Masses (Building Bridges: Ultrasound - MRI - Surgery)

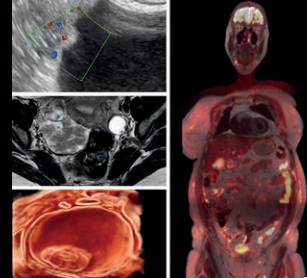

Tuesday 10

- 08h30 ● Registration
- 09h00 ● **Opening & Course Overview**
Rui Viana | Dusan Djokovic | Agnieszka Kotlarz | Vincent Vandecaveye
- 09h15 ● **Adnexal Masses - Spectrum & Malignancy Risk Stratification**
Moderators: Ana Sofia Fernandes | Dusan Djokovic | Stephanie Nougaret
Spectrum of adnexal masses - clinical context
Sofia Mendes
IOTA updates - ultrasound in malignancy risk stratification
Dirk Timmerman
O-RADS MRI updates - diagnostic criteria for malignancy risk stratification
Isabelle Thomassin-Naggara
AI development for malignancy risk assessment
Wouter Froyman
Interactive panel discussion and audience Q&A
- 10h35 ● Coffee break
- 11h05 ● **Benign Pathology & Conservative Management**
Moderators: Eliana Teixeira | Catarina Vasconcelos | Rui Viana
Rare benign tumors - ultrasound features
Inês Reis
MRI of benign adnexal masses: clinical indications and added value
Stephanie Nougaret
Conservative management of asymptomatic adnexal masses
Ana Sofia Fernandes
Interactive panel discussion and audience Q&A
- 12h20 ● Lunch
- 13h25 ● **Live Ultrasound Scanning Demonstration**
Moderators: Luciana Patrício | Andreia Relva
Demo 1
Dusan Djokovic | Inês Reis
Demo 2
Patrícia Pinto | Wouter Froyman

Advanced Course: Gynecological Ultrasound | 5th Edition

Adnexal Masses (Building Bridges: Ultrasound - MRI - Surgery)

Tuesday 10

14h10

MRI Image Reading: O-RADS MRI Characterization

Moderators: Agnieszka Kotlarz | Vincent Vandecaveye

Interactive case discussion

Isabelle Thomassin-Naggara | Stephanie Nougaret

14h55

Malignant Pathology

Moderators: José Silva Pereira | Adalgisa Guerra | Rita Torres

Management of borderline and early-stage ovarian cancer

Thais Baert

Rare malignant tumors - ultrasound features

Luciana Patrício

O-RADS MRI: ACR guidelines and clinical integration

Isabelle Thomassin-Naggara

Interactive panel discussion and audience Q&A

16h05

Coffee break

16h35

Adnexal Masses in Specific Populations

Moderators: Alexandra Meira | Thais Baert | Sandra Sousa

Maternal adnexal masses in pregnancy

Dusan Djokovic | Elleke Dresen

Adnexal masses in children and adolescents

Agnieszka Kotlarz | Vincent Vandecaveye

Interactive panel discussion and audience Q&A

17h50

Tumor Board - Case Discussion

Moderators: Dusan Djokovic | Stephanie Nougaret | Hugo Gaspar | Ana Coelho

Case 1

Agnieszka Kotlarz (Krakow team)

Case 2

Patrícia Pinto (Lisbon IPO team)

Case 3

Inês Reis (Lisbon Luz team)

Case 4

Isabelle Thomassin-Naggara (Paris team)

18h50

Summary & Announcements

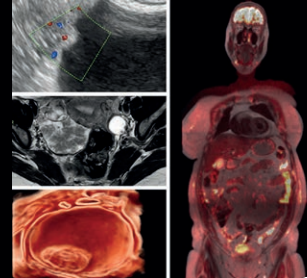

Rui Viana | Dusan Djokovic | Agnieszka Kotlarz | Vincent Vandecaveye

19h00

End day 2

Advanced Course: Gynecological Ultrasound | 5th Edition

Adnexal Masses (Building Bridges: Ultrasound - MRI - Surgery)

Wednesday 11

08h30 ● Registration

09h00 ● Opening
Dusan Djokovic

09h15 ● Ovarian Cancer & Fertility-sparing
Moderators: Sofia Mendes | Ana Martins | Isabelle Thomassin-Naggara
When minimally invasive surgery is safe?
Pawel Basta
Ultrasound and MRI for Fertility-sparing ovarian tumor care
Stephanie Nougaret | Gábor Szabó
Interactive panel discussion and audience Q&A

10h30 ● Coffee break

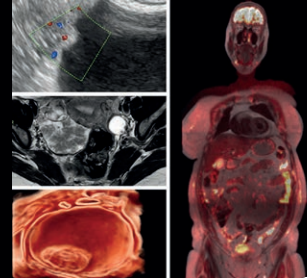

11h00 ● Ovarian Cancer Staging & Debulking Surgery
Moderators: Lúcia Correia | Stephanie Nougaret | Gábor Szabó
What the gynecological oncologist needs to know from the radiologist
Thais Baer
Integrate US-based ovarian cancer dissemination assessment
Patrícia Pinto
Whole body diffusion-weighted MRI: terms and definitions
Elleke Dresen
Whole body diffusion-weighted MRI: staging and operability assessment
Vincent Vandecaveye
Interactive panel discussion and audience Q&A

12h20 ● Lunch

13h25 ● Live Scanning Demonstration
Moderators: Inês Reis | André Borges
Demo 1 | Abdomino-pelvic ultrasound anatomy
Gábor Szabó | Dusan Djokovic
Demo 2 | Malignancy spread assessment
Patrícia Pinto | Dusan Djokovic

Advanced Course: Gynecological Ultrasound | 5th Edition

Adnexal Masses (Building Bridges: Ultrasound - MRI - Surgery)

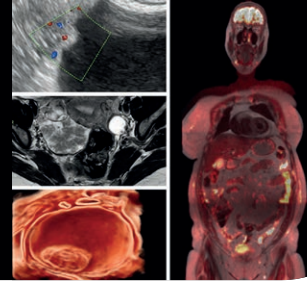

Wednesday 11

- 14h10  **MRI Image Reading: Ovarian Cancer Staging**
Moderators: Vincent Vandecaveye | Sandra Sousa | Adalgisa Guerra
Interactive case reading
Stephanie Nougaret | Elleke Dresen
- 14h55  **Tumor Board - Case Discussion**
Moderators: Patrícia Pinto | Elleke Dresen | João Casanova | Thais Baert
Case 1
Vincent Vandecaveye (Leuven team)
Case 2
Magdalena Jakubowska (Krakow team)
Case 3
Rita Torres (Lisbon Champalimaud team)
Case 4
Lúcia Correia (Lisbon IPO team)
- 15h55  Coffee break
- 16h25  **Adnexal Tumors & Robotic Surgery**
Moderators: Rita Torres | Rui Viana
Patient selection for robotic adnexal surgery
João Casanova
Interactive panel discussion and audience Q&A
- 17h05  **Building Bridges: Optimization of Diagnostic Algorithms & Scientific Collaboration**
Moderators: Rui Viana | Dusan Djokovic | Agnieszka Kotlarz | Vincent Vandecaveye
Speaker panel & participant opinions
- 18h05  **Summary & Acknowledgments**
Rui Viana | Dusan Djokovic | Agnieszka Kotlarz
- 18h15  End course

Advanced Course: Gynecological Ultrasound | 5th Edition

Adnexal Masses (Building Bridges: Ultrasound - MRI - Surgery)

Target

Specialists and registrars
in Gynaecology/Obstetrics
and Radiology

Organizing Committee

Dusan Djokovic
Rui Viana
Agnieszka Kotlarz
Vicent Vandecaveye

Manager

Célia Castiço

Fee

IOTA Certification: 175€
Main Course: 175€
IOTA Certification + Main Course: 325€
