

SPSim 2026

Braga-Portugal

International Congress 2026

Simulation Shaping Healthcare 2030 | Simulação a Construir a Saúde de 2030

Satelite Course

SPSim Simulation Instructor Course

6 e 7 de Novembro - Covilhã

Workshops

Dia 28 Outubro

Manhã

9:00 Distocia de Ombro

9:30 Simulação in situ: Treino de equipas no bloco operatório e no internamento

10:00 Debriefing Mediado por Lego Serious Play

Tarde

14:00 Parto Pélvico

14:00 Workshop Avançado de Debriefing para Formadores de Simulação

14:00 A Aprendizagem Autorregulada como Ferramenta para a Aquisição de Habilidades de Ecografia

15:00 Construyendo el Futuro del Técnico de Simulación: competencias, formación y reconocimiento profesiona

Dia 29 Outubro

9:30 What if there was another way? Rethinking simulation with vems

10:00 Abordagem integrada ao doente neurocrítico vascular: simulação de HSA aneurismática

29 Outubro | Global Perspectives, Safety and Learning System

11:00 General Assembly

14:15 Opening Ceremony

15:00 Opening Keynote

Simulation Shaping Healthcare 2030: From Training to System Impact

15:45 Plenary Session 1

Simulation Without Borders: International and Interprofessional Perspectives

16:45 Coffee.break

17:15 Plenary Session 2

Safety, culture and learning architecture

18:15 – 20:15 – Social Programme

20:30 Congress Dinner

30 Outubro – Innovation, Realism and high Performance

09:00 Plenary Session 3

Beyond Fidelity: The Future of Realism in Simulation

10:00 – Coffee-Break

10:30 Keynote Session 1

Value-based healthcare and Simulation

11:15 Plenary Session 4

From Kitchen to Care: Building High-Performance Teams

12:15 Lunch

14:00 Plenary Session 5

Building Simulation Capacity for Healthcare 2030

15:00 Plenary Session 6

Beyond Healthcare: Lessons from Elite Performance Environments

16:00 Keynote Session 2

The Simulation iCenter: Preparing Healthcare Education for 2030

16h45 – 17h15 Coffee-Break

17h15– Closing Plenary

What should healthcare simulation look like in 2030?

18h45 – Awards and Closing Ceremony
